 Computer Lab Open: Monday–Friday 9 AM–5:30 PM
 Closed: Holidays and days that Madison Metropolitan School District closes

OUR MISSION

The mission of the Kennedy Heights Community Center is to create a community support network for low to moderate-income families; increase available resources and programs to improve the lives of residents and develop and present social, educational, recreational, and cultural programs for children, youth, and adults.

The Teen Leadership Program (LIT) provided the young participants with invaluable life skills, a sense of purpose, and a strong foundation for their future endeavors. By actively engaging with their community, learning essential life skills, and developing leadership qualities, they not only enhance their own lives but also positively impact the lives of those around them. This experience likely instilled a sense of social responsibility and a commitment to continued community engagement as they move forward in life. Thank you, City of Madison Community Development Department for affording us this amazing opportunity.

Be Well MSN

We had such an engaging October, from an amazing community bike event with Safe Routes to School of Dane County to the elementary age group embarking on a 6-week ChickQuest adventure in partnership with the UW Madison 4-H program. The ChickQuest adventure offers our children and staff a valuable educational opportunity, which aligns with the community's commitment to holistic growth and development. We have in the incubator a variety of 22 eggs. Let's see how our experiment works.

Our final block party of 2023, features a diverse option of activities and wellness offerings made possible by our incredible community partners such as the Willy Street Co-op, Be Well Madison, Rooted, and Northside Wellness Partnership. The vast diversity in what we are able to offer reflects the integrated approach to community well-being and inclusivity we strive to see at Kennedy Heights. These collaborations contribute to our shared successes.

Thank you so much for your continued commitment!
Elsa

We need your help, make a gift to keep these wonderful programs flourishing! Thank you so much!
